The tournament jury has decided to change the order of courses for the final round of individual strokeplay championships (Friday from 2 pm) and semifinals, finals and matches for rank 3 of the individual matchplay championships (Saturday afternoon). These rounds will start at concrete course (course A) and finish at miniaturegolf course (course B), i. e. the opposite order than stipulated in the tournament invitation.

The reason for this decision is that the background idea is to finish at the more difficult course, and in case of Bischofshofen, the miniaturegolf course is generally considered to be more decisive / difficult than the concrete.
